whereas, in light of the foregoing jurisprudence stare decisis and res judicata affirmed and declared by the supreme court decisions; by facts, and by law; and counter to the negative and colourable social and political conditions instituted by [CORPORATE STATE PERSONS] of the [UNION STATES SOCIETY], there exists a blatant want of jurisdiction on the part of the [UNION STATES RIGHTS REPUBLIC (U.S.A.)], and by its agents, personnel, contractors, and assigns. maxims and axioms are lawfully, legally in force under national and international law attending to these issues. and this affiant natural being in propria persona sio juris does not abandon any of my estate rights, does not waive any substantive rights, does not transfer power of attorney to any foreigner and does not consent to any public trial or ministerial hearing in any colourable tribunal venue or involvement with any non article iii, unconstitutional jurisdiction. the official oaths and bonds, the obligations and the fiduciary duties of all accusers and proof bound claimants to national constitution and treaty law and order; the civilization principles fixed in constitutional law, still stands! definition and true still rules. non compliance is a federal law violation and international law offence and trespass.

whereas, there is no question that a bench appearance summons, a detention, an arrest and a ticket or citation, issued by a [POLICE OFFICER] or by others, against the people, for travelling with no driver's license, foreign driver's license, not having [CURRENT REGISTRATION], or [MANDATORY INSURANCE], etc., which [CARRIES A FINE OR JAIL TIME], is a [PENALTY OR SANCTION] and is indeed converting a right into a crime; thus violating substantive rights. it is reasonable to assume that these supreme court judicial decisions are straight and to the point, that there is no lawful method for government to put restrictions or limitations on rights belonging to the people.

that the organic united states republic constitution (derived from ancient moabite or moroccan moorish law) remains the supreme law of the land, and all treaties made or which shall be made under the authority of the united states government, and under its flag of peace, pursuant to united states code, title 4, chapter 1. any law or colourable process which are repugnant to the constitution or treaty shall remain forever colourable' and are null and void. *Marbury v. Madison* 5 u.s. 137, 174, 176 (1803). no [MUNICIPAL OFFICER], [PERSON], [PERSONNEL], [EMPLOYEE] or [CONTRACTOR] shall attempt to violate nor abridge the rights of the natural people or citizens, and all are subject to court action and penalty in their personal and or subject capacity to wit:

title 18, parte 1, chapitre 13 §241 ov united states codes ov law:

no persons shall conspire to injure, oppress, threaten, or intimidate any person in any state, territory, commonwealth, possession, or district in the free exercise or enjoyment of any right or privilege secured to him by the constitution or laws of the united states, or because of his having so exercised the same, or...

no persons shall go in disguise on the highway, or on the premises of another, with the intent to prevent or hinder his free exercise or enjoyment of any right or privilege so secured, said attempt shall be fined under this title or imprisoned not more than ten years, or both; no act in violation of the law shall be attempted.

title 18, parte 1, chapitre 13 §242 ov united states codes ov law:

whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any being in any state, territory, commonwealth, possession, or district to the deprivation of any rights, privileges, or immunities secured or protected by the constitution or laws of the united states, or to different punishments, pains, or penalties, on account of such person being an alien, or by reason of his color, or race, that are prescribed for the citizens, shall be fined under this title or imprisoned not more than one year, or both; and if bodily injury results from the acts committed in violation of this section, or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire, shall be fined under this title or imprisoned not more than ten years or for life, or both, or may be sentenced to death.

therefore, in preservation of the rights of indigenous peoples and the preservation of the rights of the people, in accordance and defense of the constitution for the united states of america and her government being the supreme law of the land, and primary to the contractual liabilities, affirmations, bound obligations, and fiduciary duties of the officers of the courts federal, state, city, and municipal, etc., I hereby activate and command the enforcement of the de jure laws of the united states, and all treaties made under the authority of the united states, in accordance with article vi of the constitution, the bill of rights, the declaration of the rights of the child, the rights of indigenous peoples, the universal declaration of human rights, the united nations charter, article 55(c); the united states supreme court acts of state, the foreign sovereign immunities act 28 usc 1601; et seq., the convention on international road traffic day 19, september 1949, the world court decisions, the hague, netherlands, day 21, january 1958 a.d = 1378 m.c. and executive order 13107 united states republic, north america, the implementation of human rights treaties, the national constitution for the continental united states, article iii, section 2, amendment v liberty clause; amendment ix, etc., I hereby command and state a dismissal of any and all unconstitutional sanctions, claims, or other warrants or charges made or issued, which are devoid of true identity persons; no denial of due process, or a trial by a jury of my own national peers or absence of a verified and lawful indictment, sanctioned by an assembled grand jury shall occur *nunq pro tunq*. and I hereby avail all lawful constitutional secured safeguards, established by the supreme law with the documented proper jurisdiction and venue affirmed and in place by my own hand in my own article iii of the moroccan empire state of morocco court.

wherefore all parties of interest are authorized by this writ, pursuant to national and international law to honor all substantive rights and constitutional immunities exercised for, and to all original indigenous free and sovereign Moroccan Moors. All officials are to enact all available and appropriate measures to insure and assure that all substantive rights and constitutionally secured rights and immunities are honored. The sovereign, natural beings appellated shall not be arrested nor held for any reason nor circumstances. All are hereby notified that we are the active ministers of the original indigenous de jure sovereign empire state of Morocco and the de jure Moorish national republic federal government at all territories of the organic land. The natural being who has autographed hereon and all Moors are non obligatory and not taxed where customs, tariffs, taxation, owner in fee permit deception constructs, and from any other hindrance, encumbrance or restriction of freedoms, allodial properties, compensations, rights of travel, or freedom of movement on the land.

explicit exercising at all times of the sovereign rights for me and all Moors and use of all rights exercised without prejudice U.C.C. 1+207, 1+308, U.C.C. 1+103 is noted to all federal, state, city and municipal peace officers, in harmony with the empire state of Morocco laws, is the reservation of all sovereign rights. No contracts nor agreements shall be entered into knowingly, voluntarily, willingly, nor unintentionally without full disclosure for all parties. Furthermore, all presumed [UNITED STATES CORPORATION COMPANY CONTRACTS] are hereby terminated with the [UNITED STATES CORPORATION COMPANY PERSON] and all agents principals heirs assigns and any derivatives thereof. Consider any formerly assumed constructs alleged to be related to me as being misrepresentations and thusly 'cured' forthwith. Let it be known...:

represent means to depict, to portray, to symbolize and to stand for. Let it be known that the [UNION STATES SOCIETY] [BAR ASSOCIATION] [LAWYERS], [ESQUIRES] and [ATTORNEYS] of [EUROPEAN COLONIAL DESCENT], and foreign [CORPORATION], cannot depict, portray or symbolize a free Moor as [THEY] are not of the same nation jurisdiction, customs, or national peers; and cannot sit in judgment of any free Moor (acts of state). [CORPORATIONS] are not indigenous to the land. Moors are original. [UNION STATES SOCIETY] [BAR ASSOCIATION] [LAWYERS], [ESQUIRES] and [ATTORNEYS] of [EUROPEAN COLONIAL DESCENT] operate in democratic political format, which is contrary to article IV, section 4 of the constitution for the United States. Moors are the sovereign law and the sovereign government being in harmony with the constitution. Moors govern, respect, and align with the constitutional principles. The unconstitutional tribunals operating under the [UNION STATES SOCIETY] conflicts with, and is repugnant to due process under constitutional principles, and functions in colorable fraudulent actions. Therefore, no equitable, just trial, or remedy is available to the natural peoples of the land through such colorable processes! These violating acts constitute a conflict of interest; a conflict of law; a conflict of identity; and of nationality and international law, and clearly do not lawfully address the federal questions of diversity of citizenship, while establishing that the only proper original sovereign jurisdiction is the universal original indigenous ancient natural divine article III consular court. Thus, a clear and documented avowal of jurisdiction quo warranto is also hereby proclaimed, commanded and advanced to all parties of interest. Only we, Moors, can present ourselves for we are sovereign Moors, all Moroccans, and original indigenous of the land. Thus, only Moors can present self!
